Win the "BEST SPOT in the LOT". Buy a chance, or two, or more for the opportunity to win your very own parking spot for the entire 2010 season! It's your choice too - next to the gate, in the shade, etc. Tickets will be sold starting on 4th of July until the drawing on Labor Day weekend! **GOOD LUCK** and thank you for supporting the team!

DID YOU KNOW that aside from the concession & 50/50 sales at our home meets, proceeds from the soda machine benefit our team? So...relax and enjoy a cold one for the team!

UNSUPERVISED SWIMMERS - in past years, many parents with swimmers in both practice groups would drop their swimmers off @ 9am and not return until 11am (as the older group is finishing practice). This leaves the younger swimmer unsupervised until 11am - when the pool opens to general membership. This is a risk to the swim club, coaches, and **MOST IMPORTANTLY**, your children. If this is your situation, you must return to either pick up or watch the younger swimmer(s), or provide a sitter for the one hour. Violation of this request could result in dismissal from the swim team. Your understanding is **GREATLY** appreciated!
